Decline in National Savings rate in the public sector

2236. SHRI K. VASUDEVA PANICKER: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that national savings rate especially in public sector has registered a steady decline in the past few months,

(b) if so, what are the reasons therefor; and

(c) what steps have been taken to check the fall?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI SUKH RAM): (a) to (c) Estimates of national saving and national saving rate are prepared annually on the basis of detailed accounts contained in budget documents of Central & State Governments, accounts of public sector and private corporate sector enterprises, etc These accounts are not available on a monthly basis. Hence it is not possible to measure changes in the national savings rate especially in the public sector in the past few months.
